ALBERTA BEVERAGE CONTAINER RECYCLING CORPORATION (the "Corporation")

THIS AGREEMENT is being entered into for the following reasons:

- A. The Corporation is duly incorporated and organized under the *Business Corporations Act* (Alberta) (the "Act"), having as its share capital, (i) an unlimited number of Class "A" Shares without nominal or par value (with voting rights and no dividend rights) and (ii) an unlimited number of Class "B" Shares without nominal or par value (without voting rights, with dividend rights and may be issued only with the unanimous consent of the holders of the Class A Shares).
- B. The Corporation is organized for the purpose of operating a common collection system in order to comply with the requirements of the Beverage Container Recycling Regulation under the *Environmental Protection and Enhancement Act* (Alberta) for the recovery and disposal of non-refillable beverage containers from depots.
- C. The Parties acknowledge that the Corporation will be governed in accordance with a focus on achieving its environmental objectives in accordance with its business principles.

The Parties further acknowledge the intention of the Corporation to carry on its activities on a not-for profit basis.

- D. The Parties have agreed that the terms, provisos and conditions herein shall govern the Corporation, the Shareholders and each of them and their respective nominees as directors of the Corporation as they are nominated from time to time and each of them, and the relationship between the Parties and each of them, all from and after the date of execution of this Agreement.

FOR THESE REASONS and in consideration of the mutual covenants and agreements contained in this Agreement and the sum of \$10.00 paid by each of the Parties to the other Parties (receipt of which is hereby acknowledged) the Parties agree to the following:

1.0 DEFINITIONS

In this Agreement the following words and phrases have the meanings ascribed to them:

- 1.1 "Act" means the *Business Corporations Act* (Alberta).
- 1.2 "Agreement" means this unanimous shareholders agreement and all amendments thereto.
- 1.3 "Class A Shares" means the unlimited number of Class "A" Shares without nominal or par value (with voting rights and no dividend rights) in the share capital of the Corporation.
- 1.4 "Class B Shares" means the unlimited number of Class "B" Shares without nominal or par value (without voting rights, with dividend rights and may be issued only with the unanimous consent of the holders of Class A Shares).
- 1.5 "Parties" means all of the Shareholders and the Corporation and "Party" means any one of the Parties.
- 1.6 "Shareholders" means a holder of any Shares and as of the date of this Agreement includes Canadian Beverage Association, Refresco Canada Inc., Alberta Beverage Council, Western Dairy Council and Alberta Beer Container Corporation but shall also include any one who subsequently acquires Shares in accordance with this Agreement. "Shareholder" means any one of the Shareholders.
- 1.7 "Shares" means the Class A Shares and the Class B Shares.

2.0 SHARES HELD

2.1 The Parties acknowledge that as of the date of this Agreement 900 Class A Shares have been issued and are outstanding, as fully paid and non-assessable Shares, and they are held as follows:

Canadian Beverage Association	300 Class A Shares
Refresco Canada Inc.	100 Class A Shares
Alberta Beverage Council	200 Class A Shares
Western Dairy Council	100 Class A Shares
Alberta Beer Container Corporation	200 Class A Shares

No Class B Shares have been issued and no Class B Shares are outstanding.

2.2 The Parties agree that no Class B Shares shall be issued by the Corporation without the prior unanimous written consent of all of the holders of the Class A Shares.

3.0 EFFECT OF AGREEMENT

3.1 Each of the Shareholders shall vote its Class A Shares or cause its Class A Shares to be voted and shall cause such meetings of the board of directors and Shareholders to be held, resolutions passed, by-laws enacted, agreements and other documents signed and acts and things performed and done as may be required in order to fully implement the terms and conditions of this Agreement. If any director refuses to exercise his or her discretion in order to fully implement the terms and conditions of this Agreement (for any reason other than the reason that those terms and conditions are prohibited by law or the director is prohibited by law from exercising his discretion in order to fully implement those terms and conditions), then each of the Shareholders shall immediately vote its Class A Shares or cause its Class A Shares to be voted in favour of the removal of that director.

3.2 In the event of any conflict between the provisions of this Agreement and the articles, the by-laws or any agreement to which the Corporation or a Shareholder is, becomes or may be deemed to be a party, the provisions of this Agreement will govern to the extent permitted by law. Each of the Shareholders agrees to vote its Class A Shares or cause its Class A Shares to be voted to amend the articles or the by-laws to the extent permitted by law to resolve any conflict in favour of the provisions of this Agreement.

4.0 BOARD OF DIRECTORS

4.1 The Shareholders shall cause to be elected from time to time a board of directors that will consist of nominees of the Shareholders and of certain other persons, as specified below. The board of directors of the Corporation shall consist of 10 directors and shall be composed as follows:

4.1.1 Canadian Beverage Association is entitled to nominate three directors, including replacements from time to time;

- 4.1.2 Refresco Canada Inc. is entitled to nominate one director, including a replacement from time to time;
- 4.1.3 Western Dairy Council is entitled to nominate one director including a replacement from time to time;
- 4.1.4 Alberta Beverage Council is entitled to nominate two directors, including replacements from time to time;
- 4.1.5 The Alberta Gaming and Liquor Commission is entitled to nominate one director, including a replacement from time to time; and
- 4.1.6 Alberta Beer Container Corporation is entitled to nominate two directors, including replacements from time to time.

On the fifth anniversary of the date of this Agreement and every five years thereafter, ABCRC will determine the market share based on unit sales volume of each market sector and will bring this information to the Shareholders. The Shareholders will then determine whether the market shares have changed sufficiently to change the rights to nominate to the Board, with the approval of 100% of the Shareholders being required to make any changes.

- 4.2 If a director of the Corporation dies or resigns or is removed from office as a director before the expiration of his or her term of office, or a vacancy is otherwise created on the board of directors, the remaining members of the board of directors shall, as the first item of business at the next meeting of the board of directors, fill the vacancy among the directors with a new nominee submitted by the nominating Party that nominated the director for which the vacancy exists. If the party that nominated the director for which the vacancy exists fails to nominate a replacement director within 2 months of the date the vacancy arose, the remaining directors shall fill that vacancy with someone from within the same market as the departing director.
- 4.3 The quorum for meetings of the board of directors shall be not less than a majority of the directors duly elected from time to time; if a quorum is not constituted at a duly called meeting of directors, the chairman shall give the minimum required notice for another meeting of directors and if a quorum is again not constituted the chairman shall call a meeting of the Shareholders to which will be referred all the intended business of the directors' meeting. If a quorum is present at the beginning of the meeting, the meeting may conduct its business even though quorum may not be present throughout the entire meeting.
- 4.4 Except as otherwise required by the Act, the board of directors shall manage the business and affairs of the Corporation.
- 4.5 The offices of the Corporation shall be designated by the board of directors, who shall annually appoint individuals to hold such offices. The officers of the Corporation may, in the discretion of the directors, be chosen from among the directors of the Corporation.

- 4.6 Subject to section 5, no business shall be transacted at any meeting of the board of directors of the Corporation without the approval of at least a majority of the directors present at such meeting. In the case of an equality of votes at a meeting of the directors, the chairperson shall not have a casting vote. In addition, a resolution in writing, signed by all of the directors entitled to vote on that resolution at a meeting of directors or committee of directors, is as valid as if it had been passed at a meeting of directors or committee of directors. No business which is transacted by the Corporation or by the directors of the Corporation, and no resolution of the directors, which is not approved in accordance with this section 4.6, shall have any force or effect or validity whatsoever.
- 4.7 The Shareholders shall take any corporate or other proceedings that may be necessary or expedient to carry out the true intent and meaning of this Agreement.
- 4.8 It is intended that the Corporation, in the ordinary course of its not-for-profit business, may enter into transactions with any of the Shareholders or with any related or subsidiary company thereof, provided such transactions are:
- 4.8.1 fully disclosed to the directors of the Corporation in respect of all material terms, including those related to payments;
 - 4.8.2 first approved by all directors of the Corporation; and
 - 4.8.3 at fair market value.
- The other Shareholders shall be accorded full opportunity at any time, upon request, to have the auditors of the Corporation review the financial records of the Corporation to ascertain whether the transactions are at fair market value.
- 4.9 Any payments to be made by the Corporation to any Shareholder must be:
- 4.9.1 for services performed by that Shareholder;
 - 4.9.2 fully disclosed to the directors of the Corporation in respect of all material terms related to the payments; and
 - 4.9.3 first approved by at least a majority of the directors of the Corporation.
- 4.10 Written notice of any meeting of the board of directors shall be given not less than 7 business days, nor longer than 21 business days, and, in the case of any meeting of Shareholders, not less than 21 days, nor longer than 50 days, before such meeting, stating in reasonable detail the nature of any significant business to be transacted at such meeting. All Shareholders that have not then nominated a director, or do not then have an elected nominee director, either individually or collectively, shall nonetheless receive copies of all notices, correspondence, resolutions, minutes and other documentation sent to the directors from time to time.

- 4.11 The Corporation shall only carry on its activities on a not-for-profit basis, and this provision cannot be amended or deleted without the prior approval of all of the Shareholders.
- 4.12 The Shareholders will ensure that their nominees have sufficient time available to devote to the duties of a director of ABCRC.

5.0 PROTECTION OF MINORITY
